

MEET THE STAFF

at RSU 16 Adult Education

Our **Teacher, Sue** has been with our Adult Education program since 2002. She has been a teacher in regular and Special Education since 1984 and brings an amazing amount of knowledge, experience and respect to the youth and adults she works with.

Jeri, our Administrative Assistant, joined our team in 2014. She takes your calls, supports staff, and keeps all of our enrichment classes organized. She is also the person who schedules and proctors all HiSET tests. If you have a question about your next step, Jeri can help!

Suzette is our Career and College Advisor - and does too many other things to list! A Certified Career Services Provider, Suzette is primarily here to help you learn more about the careers, college and/or training programs that may be a good fit for you.

Stephanie joined Adult Education in 2023 as the **Literacy Tutor**. She has been teaching in K-12 Education since 2003 and brings Special Education expertise as well as positivity and flexibility to our students.

Jenny became the **Director** in 2011 after working in other capacities throughout the District. She loves to network with people in the community to support students and increase opportunities.
